Perhaps you could attend and read off names & affiliations of anyone who spoke/submitted letters at the E&F Committee. Also, you could explain that LTCC's Board then General Mrg. is at this same time and you have folks' blessing to read the LTCC position. Perhaps Rey can attend and present LTSC's position as well.

I should attend LTCC mtgs. Plus Chris A asked me to attend a farewell lunch for Ann Kerman at 1:30.

Thoughts?

Hi all,

No one has talked to me about City Council - probably because it has to go to PLUM first, and it's still currently not scheduled. The wording for Parker Center on City Council agenda reads:

MOTION (HUIZAR - RYU) relative to extending the time to act on a report from the Cultural Heritage Commission relative to the inclusion of Parker Center as a Historic-Cultural Monument.

Recommendation for Council action:

EXTEND by 15 days for good cause the time to act on a report from the Cultural Heritage Commission, as allowed by Section 22.171.10(f) of the Administrative Code, relative to the inclusion of Parker Center, located at 150 North Los Angeles Street, Los Angeles, CA 90012 (Council file No. 15-0127), as a Historic-Cultural Monument, that is pending Council consideration, inasmuch as it has a deadline for Council to act of February 1, 2017, to enable all interested stakeholders more time to fully deliberate its merits.

I'm guessing they will just extend, as I would be surprised be really surprised if they didn't extend it.

Oh my apologies, the agenda is for the City Council meeting. And Kristin -- Stephanie had told you that they were just going to vote to continue the item/extend the item?

Good morning all,  
I just noted that Parker Center is going to PLUM tomorrow morning at 10am...It's item No. 31. I know that conflicts with LTCC Board meeting. Thoughts on how to split forces?

Kristin,  
Thank you again for allowing us to present to LTCC yesterday.  
I wanted to make sure you had the file for the Cultural Heritage Commission's application for Parker Center, it is different than the EIR or Civic Center Master Plan.  
It is CF 15-0127
